Hello!

I draw since I was 2. Pre-internet tech geek. An Entrepreneur since 2010.
I design innovative software solutions for international business. Visited 20+ countries, lived in 4 and still counting. Competition shooter. Exotic car enthusiast. Immediate interest in Travel, Technology, History, Politics, Financial Markets, Philosophy, Sociology, Psychology, Literature, Art, Music, Movies & that's just from the top of my head.
Father of two adorable daughters.
