MY CAREER SUMMARY

- Over 16 years of IT-related work experience

- Started as a programmer, transitioned through Scrum Master/Business Analyst/Delivery Manager to a product developer and game designer/programmer

- Acquired Certified Professional Scrum Master (PSM I) certificate (though I am not a fan of certificates in general)

- Participated in several successful scrum projects

- Created and shipped several IT products, (last two of them were designed and created by me as a lead/solo creator)

SKILLS
