

# FILMMAKER / VIDEO EDITOR

## ABOUT

A creative, competent, enthusiastic and hardworking filmmaker. Easily adaptable to new work environments and challenges. Enjoys working independently and thrives when working in a team. Over the course of the years, I have learned how to approach problems in an imaginative and innovative way. Working on projects with other people has helped me to develop strong interpersonal skills. My main objective is to gain all the experience and knowledge necessary to become the best Filmmaker / Video editor I can be, without ever stopping to learn.

CinemadaMare, Italy

- CinemadaMare is the biggest gathering of youth short filmmakers in the world. For 3 months participants are traveling along several cities in the South of Italy. Each week they visit a new city, in which they have to shoot one short movie (write a script, gather a crew, scout location, shoot, edit). Participants have to face many challenges throughout the course of the workshop, often working under pressure due to resource and time constraints.
- During the workshop have directed, written, produced and edited 10 short films; acted in 2 short films and worked as a camera operator.
