

Oracle Linux | PostgreSQL | MS SQL | Ansible | Bash | PowerShell | Python | Docker | Grafana | Vagrant | Git | Jenkins

Top Skills

Red Hat Linux

Windows Server

Microsoft SQL Server

Languages

angielski (Professional Working)

polski (Native or Bilingual)

Summary

My greatest skill is to quickly find the root cause of difficult incidents related to the entire IT infrastructure. I love Bash scripting and administering Linux server (my favorite is Red Hat). I choose career paths regarding systems that are not simple.

Experience

Sopra Steria
