## Summary

I am a motivated professional with strong background from BAF & MBA at KNEU. I started working at a young age, gaining valuable experience and a strong work ethic.

Notably, I participated in the CFA Institute Research Challenge, where our team reached the finals at the national level. I led the production of the highest-scoring report, showcasing my analytical skills and commitment to excellence.

I began my corporate journey at E&Y, progressing from an intern to an Assistant and eventually a Senior. I successfully managed different projects and received positive feedbacks for my attention to detail and ability to meet objectives together with strong leading capabilities driving the team and leads to drive it through any kind of challenges.

Languages are an asset in my professional repertoire: I am a native speaker of Ukrainian and Russian, fluent in English (C1), proficient in Polish (B2) and have basic proficiency in German (A2). With open mindset, I'm easily learning new languages to my pleasure.

Beyond accounting and finance, I am deeply passionate about the IT & cryptocurrency industry, which I believe will bring significant global changes.

Outside of work, I am an avid traveler, constantly seeking new experiences and personal growth.
